Return Of Sherlock Holmes II (Classic Fiction)

Synopsis

No case is too slight for the mental powers of the Great Detective, in this second selection from The Return of Sherlock Holmes. A young girl is stalked by a solitary cyclist; whilst the 'dancing men' hieroglyphics found in Norfolk lead to a sinister connection with America. Holmes enters the murky world of high society blackmail in 'Charles Augustus Milverton'; and finds an abducted student from the 'Priory school.' As always, his friend Dr. Watson is with him to assist and chronicle these cases.

Customer Reviews

It's amazing how little detective stories have changed in all the years since Sherlock Holmes appeared. I really like the stories, and the voices are great. There's about 200 miles of great entertainment on this 3-disk set.
