Customer Reviews

My baby (10 months) loves looking at this book. The exterior has a unique texture, and there are openings built into the book that keep her attention. Also, the red, white, & black color scheme really catches her eye. There's not much text inside though, so I imagine we'll have to move on to other things when she becomes a bit more verbal. All in all, a good starter book for a bilingual infant.

Graphics are gorgeous. It's in French. What more do you want?!

Bought this book for my borrowed granddaughter. The graphics are amazing and simple, but very effective. Words are all in French.
