Tickety Toc: Welcome To Tickety Town

Synopsis

This 8x8 storybook will introduce readers to the world of Tickety Toc--a brand new preschool show on Nick, Jr. Inside an old clock shop is a wall full of clocks. And right in the middle is one very special clock. This is the Tickety Toc Clock. As every hour passes, it springs in to life to chime in the time. It all happens as regularly as clockwork! But chiming the time isn't as easy as it seems! It's up to Tommy and Tallulah and their friends to keep things running smoothly.

Customer Reviews

This is a cute story for my daughter who just loves the TV show. It's hard to find tickety toc items and she was thrilled to see this at bedtime!

My granddaughter will love it!

Cute story, but wish the silly owl was referenced in the story. The owl is my kids favorite character.

he loved it
