The Witches: Plays For Children

Synopsis

Fun-to-perform plays for the classroom. A collection of seven short playlets following the story of Roald Dahl's book in sequence. Some are for three or four actors and a couple are ideal for performance by a whole class. Full of humour, excitement and magic and true to the spirit of Dahl's work. Similar in format to *The Twits* and *The BFG: Plays for Children*. Adapted by David Wood, well-known in children's theatre (most recently for *Goodnight Mister Tom*).

Customer Reviews

Very interesting and a good ending I love Bruno a lot and I will do some little drama at home with my sister

five star was a great book and i loved it so much. it leaves the reader in suspense at some points and i quite like that. It gets funny and I like how the Grand High Witch speaks.

That is ok.
