Customer Reviews

This book is REALLY cute. Pooh wakes up at 7, eats breakfast at 8, and then does his exercises at 10. At 1, Pooh sings a new song. At 5, Pooh gets his game of Poohsticks, and then at 8, it's goodnight Pooh. Very cute, and it would help kids start thinking about the idea of telling time even when they are little and still *into* board books. I just bought this book at Marshall's because I thought it was so cute... and I'm 20.

unable to find selection of time/clock books locally at bookstores but turned to .com and this is one of several i found. thank you. family loves it !!

My daughter is getting to the age where she wants to read everything. So this helps. Thanks for the item!
