Corinthians (1 And 2) - Enhanced E-Book Edition (Illustrated. Includes 4 Different Versions, Stunning Image Gallery + Audio Links)

Synopsis

“For no one can lay any foundation other than the one already laid, which is Jesus Christ.” What does spiritual freedom mean to a new Christian? When everyone around is caught up in immorality, and you’re bombarded with constant temptation, how do you stand for righteousness? The fledgling church in Corinth was floundering with these questions, as the believers struggled to sort out their new found faith while living in a city overtaken with corruption and idolatry. Paul wrote this pastoral letter to the church he had established in Corinth. While addressing the Corinthian believers specifically, the letter is relevant to all followers of Christ. An overarching theme in the book of 1 Corinthians is the need for true Christian love -- love that will settle lawsuits and conflicts between brothers. A lack of genuine love was clearly an undercurrent in the Corinthian church, creating disorder in worship and the misuse of spiritual gifts. Paul spends a great deal of time describing the proper role of spiritual gifts and dedicates an entire chapter to the definition of love. 1 Corinthians (1 and 2) is presented here in stunning E-book format specially designed for the Kindle. It includes four different versions, a gallery of art featuring the apostle Paul from Caravaggio, Enrique Simonet, Valentin de Boulogne and other renowned artists and links to free complete audio recordings of both 1 & 2 Corinthians.™ The King James Version The American Standard Version Bible in Basic English Version Webster Bible Version Image gallery Links to free complete audio recordings of 1 Corinthians and 2 Corinthians. *Individual Table of Contents for each version accessible from the Kindle "go to" feature. *Perfect formatting in rich text compatible with Kindle’s Text-to-Speech features.

Customer Reviews

This edition of Corinthians really brought the words alive for me. Corinthians is one of my favorites. The poetry is sublime. It was interesting to search through and compare the different versions. A wonderful edition of a deeply moving book.

GREAT, INSPIRING! This wonderful letter from St. Paul cannot be overrated. Read it, you'll love it.

This book contains only four versions, not five. There is no Douay Rheims version included.

someone once told me to pay attention to what Paul writes in his letters for he learned from Christ himself
