Customer Reviews

This is a great book for motivation and personal development. This book have learning that can change your life on the off chance that you read it painstakingly. An unquestionable requirement read book for getting motivational motivation. This book is an excellent condenser of all that Robbins has to teach. It starts with his inspirational personal story and then expands to Robbinsâ™ teachings. This book will change your life towards success and change for good. With this book you get to learn how to focus and act your way to success. The teachings here should be accompanied with our belief to oneself that everything will fall in place as you work hard towards your goal. Good book to read. I recommended this book.

This book will answer all those questions, summarizing the advice and conclusions from three books written by famous self-help teacher Tony Robbins. The book is full of life lesson that are applicable in business and also in life.Strong persistent attitude is one of the main ingredient on how to be successful in all areas in life. It book contains life lesson and powerful wisdom from the famous successful personality like him. I love Tony Robbins books, and the steps listed here are helpful.

Tony Robbins inspires me alot for I want to know more on how he become successful in life.This book offers his 31 motivational lessons on how to become like him.I have learn things or footprints to follow to aim successful, then it is very important to improve our communication if we want to become successful. Lastly, if we feel in life we should never lose focus on our goals in life. Cause challenges will make us become better person.

Itâ™s a great book.Itâ™s a real lesson from a great guy Anthony Robbins.He is the best selling author.Throughout the book, Robbins combines inspiration, advice, and personal anecdotes. On the topic of dreaming, of aspiring, for example, he talks of what is required to keep one's dreams in focus, and to realize them. He talks of his own dreams, and tells the story of flying over a building in his career.It is a short introduction of Robbins

Good point! This story is a really nice advert for the book.it really takes to become a successful human being. Go on all the financial news websites and see Tony smile! There is no bigger cult

than the Wall Street cult. It's really all believe that Tony Robbins is amazing. It's book inspire people by spreading knowledge of self development and life changing stories to the world. Really I like it and high recommended it.

Tony Robbins one of the great speaker, motivator and one of the best seller of self help book. This Book briefly describe about his life changing lesson and their meaning. Like "Never change focus of your goals" , "Energy flows in the direction of your Focus" and many more inspirational quotes and their meaning. I would certainly recommend this book to any one who like Motivational lesson and want to apply in their own life. Highly recommended.

Tony Robbins is a well known author and speaker of motivational lessons in life. This book will change your life towards success and change for good. With this book you get to learn how to focus and act your way to success. The teachings here should be accompanied with our belief to oneself that everything will fall in place as you work hard towards your goal. A self-enriching book you would not want to miss...

A very motivational and life changing book from Tony Robbins..a powerful motivational speaker who has touched the lives of many person throughout the years. This book makes an excellent self help guide for anyone who wants to transform their lives in some way. Fund out how you can take action and realize you dreams from an author who believes that persons can get anything they want from life.
