Customer Reviews

Gr 3â "6â "In the spirit of "The 39 Clues" (Scholastic), "TombQuest" is a "read the book, play the game" experience across several platforms. In this second installment, which can stand independent of the online gaming experience, Ren and Alex must stop a Death Walker, an evil and ancient Egyptian spirit, from reeking havoc in modern day London. This is a plot-driven thrill ride with plenty of adventure and a bit of history woven in. Kids who enjoy the books will be eager to try

their hand at the online games that extend the world.

Praise for TombQuest Book 1: Book of the Dead : "Like a preteen Indiana Jones and Lara Croft, Alex and Ren make a compelling duo, and Northrop balances pathos and action effectively to engage readers. Funny and smart, Alex and Ren are excellent companions for this fast-paced and scorpion-filled ride." -- Kirkus Reviews "A thrilling adventure rich in Egyptian mythology and magic. . . . Sure to be a blockbuster." -- Booklist "Nonstop action . . . reluctant readers will enjoy the fast-paced story and the accompanying interactive computer game, and they will look forward to future installments." -- Voice of Youth Advocates "The plot moves quickly and will appeal to reluctant readers looking for adventure [and] danger." -- School Library Journal
